1855 -

Dear Dr. Torgy

I beg you to accept  
a Photograph of the Asplenium  
on Tuckahoe I found in  
Florida - I have been  
here a few days & am  
going ~~off~~ to Lake George  
early tomorrow morn. Not  
I believe to return ~~here~~ -  
My passage is taken in  
the Canada for Oct 24 or  
25<sup>th</sup> - in the mean while

I am going into the  
Adirondacks - thence  
by Chicago to St Louis  
& if possible round  
Lake Superior -

Yrs Truly
